ANTONIO MAXIMIANO MASCARENHAS ALMEIDA

born on **04/12/1994** in **Ituiutaba, Minas Gerais, Brazil**

volunteered in
European solidarity corps

in the organisation **Suomen merimieskirkko Ry**

in **Rauma, Finland**
from **07/12/2022** to **06/12/2023**

INFORMATION ABOUT THE PROJECT:

Finnish Seamen's Mission is offering volunteer work for immigrants, asylum seekers and refugees. This program's goals are to open Finnish society and work ethics, so integrating to new culture would be easier. Youth will have interesting volunteer participating daily work.

They will learn customer service skills, active listening skills and with local support from other volunteers. They are supported in finding their own strengths. Learning Finnish culture and practicing Finnish language is easier. The program's goal is that the youth have a feeling of being active citizen as she/he is handling his/her own life.

One goal is to find a path to what they will study or work in future.

THE TASKS OF **ANTONIO MAXIMIANO MASCARENHAS ALMEIDA** IN THE PROJECT:

Customer service, product sales, event organization, cleaning, etc. at Seamen's Mission. Ship visits, meeting sailors and counsel them in the port.

Learning the Finnish language and culture, participation and active everyday life in the Finnish community.

The European Solidarity Corps is a European Union programme, which provides volunteering, traineeship and job opportunities to young people who want to bring positive change to communities across Europe and beyond. It allows young people to develop themselves and gain valuable competences through an enriching experience abroad or in their home country, while promoting the value of solidarity, citizenship and social cohesion.
